#### **Legion Suspects Caught**

Three suspects in a breaking and entering robbery of the American Legion have been arrested, according to Gravling City Police.

One suspect is currently lodged in the Crawford County iail in lieu of \$200,000 bond and two other suspects, both juveniles, are being held at the Oakland County Juvenile Detention Center. The robbery is still under investigation and names of the suspects are being held until arraignment in 83rd District Court.

In other police news, \$10 was taken from the Crawford Co. Public Transit garage on M-72 East March 3rd. The garage was apparently broken into.

Erwin Sheldon, 60, of Grayling, was taken to Mercy Hospital March 5 after his car went off M-72 West and struck several trees. The accident occurred about 1 p.m. and the Grayling Fire Dept. was called to the scene after the engine caught on fire.

## It's Blood Bank Time Again!

Next Wednesday, March 16th, at the American Legion Hall, from noon until 6 p.m.

President Reagan has declared the month of March "Red Cross Month" in recognition of the vital humanitarian Services that Red Cross, and only Red Cross, renders the people of this Country. And, in his proclamation, asks all Americans to support the American Red Cross in all the good things it does for "we, the people!"

Donating a pint of your own blood is one of the most outstanding ways you can support Red Cross, and, in the process, help sustain or save the life of a fellow human being.

Crawford County is most fortunate in having a large, steadily dependable, and most generous group of regular Blood Donors. Their consistent and dedicated "giving" has established Crawford County as one of the outstanding Blood Doning communities in the State of Michigan.

If you have never given a pint of your own blood before, or, perhaps, not for a year or two, why don't you come next Wednesday to the American Legion and join your fellow citizens in honoring March as the Red Cross month of the

If you don't have convenient transportation, call Dial-A-Ride, 348-5409. They will come and pick you up and take you to the Legion and take you back home afterwards, for free, if you come to donate a pint of blood.

On Sunday, February 13th the Knights of Columbus will be serving their 3rd annual St. Patrick's Day dinner. The menu will feature corned-beef and cabbage with potatoes.

If you have never been to this dinner before you are in for a treat. Serving will start promptly at 12-noon and continue until 4 p.m.

For tickets, see any K of C member or call Ed Martella at 348-5580. Tickets can also be purchased at the door and are reasonably priced at \$3.50 for adults and \$2.00 for children 12 and under.

#### Tax Sale List in This Issue

This edition of the Avalanche contains the Michigan State Treasurer's petition to the Circuit Court in Grayling asking for authority to sell at public sale various parcels of land in Crawford County that are alleged to be delinquent for taxes in 1980 and prior years.

The petition includes a listing and description of such real estate parcels. The petition also asks the court for a decree designating the first Tuesday in May at 10 a.m. as the time of the sale of such properties delinquent for 1980 taxes.

Also the petition instructs persons who desire to contest liens for taxes, interest and charges to file their objections with the clerk of the court on or before the first day of the court's April term.

The tax list will appear in this and the next two issues of the Avalanche.

#### Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 8-12 and 15-16 Mar 83.

Firing will be performed in the following range area: The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of

County Rd F97. (Air to Ground) The range will be closed to the public during the period 8-12 and 15-16 Mar 83 and all persons are warned to stay out of the area identified.

## Hatchery Plans to Stock 15,000 Trout

by Jon Thompson

Talk about a fisherman's paradise.

If a frustrated angler can't catch any brookies, browns, or rainbows in the riffles and pools of the AuSable or Manistee this summer. for a few coins he'll be able to go ogle 15,000 of the elusive prey at the Grayling Fish Hatchery.

The Grayling Fish Hatchery Committee is negotiating with an area trout farm to lease 15,000 trout for the summer of 1983. The committee is trying to work a deal in which they receive 15,000 fish at the beginning of summer, they feed the fish during the summer, and then give the fish back to the trout farm in the fall.

The hatchery wouldn't have to pay \$25,000 to

get stuck feeding and caring the fish during winter. The trout farm would get their fish back in the fall fatter and bigger.

The hatchery is currently aiming for a late April or May opening with a grand opening around Memorial Day.

The '83 proposed hatchery budget from April 1 to November calls for hiring seven employees one supervisor, two maintenance persons, two concession workers, and two night watchmen to run the hatchery. The hatchery will probably be open to the public 10 a.m. to 8 p.m. seven days a week during the summer and the fish will be watched 24 hours a day by at least one employee.

A concession worker will pass out inforbuy trout to stock the raceways and they won't mation about the fish and the Grayling area to

tourists and collect a small entry fee.

The total budget calls for \$47,640 in expenses - \$35,550 for hiring seven employees from unemployed rolls of the county.

The hatchery committee plans on making \$10,000 to \$15,000 on trout food vending machines and entrance fees and plan on raising the rest through state labor or commerce department grants and a local fund drive.

Nearly \$8000 was spent last year cleaning up the hatchery, constructing 22 by 40 building, purchasing vending machines, and buying top soil plus other materials.

Trout were raised in the hatchery for nearly five decades before operations were shut down in the mid-60's.

## State Seeks Input on Frederic Sour Gas Plant Upgrading

Comments from Frederic Township residents about proposed changes at a Michigan Oil sour gas sweetening facility in Section 15 are being sought by the state air control compollution mission.

Residents are invited to send comments to the commission until March 14 and a public hearing will be held in Lansing March 15.

By adding a caustic scrubbing system and ground incinerator, Michigan Oil will be able to increase gas flow at the plant from 725,000 cubic feet a day to 2,000,000 cubic feet a day.

A DNR air quality study says the changes at the plant have the potential to increase the amount of sour gas odors sent into the air, but Michigan Oil has already agreed to add controls that should handle any odor problems.

The DNR recommends giving a permit to Michigan Oil after their study found the best available air pollu-

be used at the plant after the changes and no pollution standards will be violated.

Last summer, Frederic residents complained of sour gas odors like a "sharp firecracker smell" coming from the plant one and a half to

tion control technology will two miles to the northwest of Frederic. The odors were reaching the town as often as every other day, the DNR report said. Michigan Oil installed a ground incinerator since then that seems to have reduced odors to acceptable levels, the report said.

## Hull Named New **Hotel Manager**

Jack B. Hull, of Grayling, has been named new manager of Chief Shoppenagons Hotel by owners Theron and Alice White to replace retiring Arnold J. Mauren.

Mauren will step down from the manager position March 30th after 23 years of operating the hotel.

Hull started learning the ropes from Mauren March 1 and will assume full command of the hotel April 1st. A graduate of Grayling High School, Hull attended Oakland University and served in the Air Force before returning to Grayling in 1952 where he's been a businessman for 11 years.

Hull will continue his involvement as commercial consultant and associate broker with Miller-Christensen Realtors of Grayling and as property manager for West M-72 Plaza Asso-

Hull and his wife Pamela have two children, Tracy, 16, and Todd, 13.

## \*2.2 Million Supply **Building Approved** For Camp Grayling

Construction of a \$2.2 million logistical support facility should begin late this spring Camp Grayling officials announced.

The approximately 100,000-sq.ft. building will be the largest at the camp and will be located off Howe and Eighth Rd. toward the west end of the camp.

Offices, a commissary, and storage space will make the new building the logistical supply point of the camp. The huge building will replace buildings No. 36 and No. 12. They will be used for storage once the new facility is completed.

Completion date for the \$2.2

million building is tentatively set for the summer of 1984 but construction bids have not yet been let.

The logistical support facility is the latest in a series of new construction projects at the camp. Last spring a new \$920,000 armory was dedicated and a new \$2.2 ammunition center is expected to be completed this fall.

The ammunition center will be 12 igloo buildings on 10 acres south of the main camp. The new ammunition center will be more secure and make handling ammunition easier, Camp Grayling officials said.

## From Our Corner ...

We're starting to count the days before we head west to visit our Nevada family...plans now call for Thelma and I to fly out of Traverse City Tuesday morning, March 15th and believe it or not we're going by way of Houston, Texas...now to us that is quite a bit out of the way as far as a crow flies and to us that is how jets go...we have a lay over there for a couple hours so we are going to see if we can get Sam St. Germain on the phone...it would be nice talking to him and we're sure this will be the only way we will get to Houston...

We don't know how many locals may know Sam, but he is the son of Tom and Marie and graduated from Pellston before his dad came to Grayling to take over the basketball coaching job from which he retired a few years ago...basketball fans remember his brother Jerry playing for the Vikings, while Sam's cage career was with the Pellston Hornets and was in the same league as Gray-

It must be getting near spring...we have had calls from people who have sighted geese flying north...the last one was Friday from Elna Marshall...it's a good sign of spring approaching, and anyone who was around last Saturday the day was just like a day in the middle of April...not the first part of March...this has to be the most open winter we have ever experienced as far as cold weather and the amount of snow we got...the trouble with it was that it just about wrecked the ski resorts in northern Michigan...and quite a few other businesses that rely on the tourist trade that come north to ski and snowmobile...

Put on your bib and tucker and take in the Grayling Youth Booster Club's swiss steak dinner this Saturday night, March 12th at Scheys Country House and help the Boosters help the Youth of Crawford County...Tariff is set at \$5.00 and \$2.50 with serving 4:00 to 8:00 p.m....Tickets available at Mac's Drug Store and Van's Building Center.

A few more Thoughts for Today..."Always keep your head up, but be careful to keep your nose on a friendly level." "It isn't necessary to blow out the other person's light to let your own shine." "Retentive memory may be a good thing but the ability to forget is the true token of greatness." "Never return a kindness — pass it on.'

An idle thought...we were just looking at the calendar and realized we won't be in Grayling for St. Patrick's Day, so all we can do is forewarn everyone to watch out for Grayling's own Leprechaun...this is the day he feels like he is king of the universe, that is until Mo gets her hands on him...it probably is good we will be gone, we couldn't be in his company this year since Dr. B changed our lifestyle...we remember too well other St. Pat's days that our path has crossed with his...we will be thinking about him while we bask in the sun...

Pauline Meaker called Monday afternoon to let us know of the Robin she had in her yard.

This takes care of this week's turkey...too many things going and not enough time to take care of them all, so...goodnight T.J., Stefany and Amber and to all of our readers have a nice weekend and think spring...

#### **CHRISTIAN LIVING DEMANDS LOVE**

Romans 12:9 The Greeks had 3 words

for love. The first or lowest was a selfish love, the next was an emotional love, and the highest was a rational love based upon self sacrifice for others. God best explains the true meaning of Christian love in John 3:16. "For God so loved the world,

that he gave his only begotten Son..." This is a far cry from the Hollywood love of lust, or the Humanist love of self.

"Let love be without dissimulation. Abhor that which is evil; cleave to that which is good." Romans 12:9. Dissimulation is hypocrisy. We are to show love in a non-hypocrital manner. Love which shows no discernment between good and evil is hypocritical. Love which does not abhor or hate evil is false love. Love which does not defend and cleave to that which is good is hypocritical.

We live in a day when Christian love in religion is equated with the ecumenical movement to establish a one world church. This love is full of hypocrisy or dissimulation because it ignores false doctrines which are contrary to God's precepts in the Bible. "Therefore I esteem all thy precepts concerning all things to be right; and I hate every false way." Psalm 119:128. Present ecumenical love has no hate for every false way

"I hate and abhor lying: but thy law do I love." Psalm 119:163. Any human teaching which challenges the law of God is a lie and should be hated and reproved as such. "Thou hast trodden down all them that err from thy statutes: for their deceit is falsehood. Thou puttest away all the wicked of the earth like dress: therefore I love thy testimonies." #### Editor's Mailbox

To the Editor, I have been a paid up member of the Grayling Chamber for over 20 years. Through good times and bad. with money always in short supply, they have done their level best to put Grayling on the map. I would like to pass on some observations I made while attending the 83 Outdoorama show in Detroit in Feb.

We had our own booth at the show, promoting our place of business, Carr's Pioneer Canoe Livery. During the 10 days of the show the wife and I passed out over 12,000 brochures, an equal number of business cards, rate sheets, and fliers related to the business, making a total of over 40,000 separate pieces of literature.

During the slow time of show activities, I made occasional visits to the Grayling Chamber booth, and was appalled by the scarsity of literature advertising Grayling business people. I was told they had been advised through the local news media to bring promotional material to the Chamber for distribution and only a hand

full did so. The old adage "in good times you can afford to advertise, in bad times you can't afford not to" was never truer than today. The Grayling Chamber is there to help, but they can't do it alone. Complaining about high dues is one thing, but failing to take advantage of being a paid up member is

ridiculous. To stress my point further, I counted 34 Canadian booths at the show, all promoting tourist related business'. All the Canadians I talked to claimed they booked their entire summers solid through such shows as the Outdoorama.

Another point worth making was the standard response from the public when seeing the sign Grayling. "Oh Grayling, we go through there every summer:" Now, you can't pay the rent on people "passing through". Let's get behind the chamber and help them tell the downstate traffic what we have to offer. They got the machinery; all it takes is a little grease to keep it going, mainly in the form of money generated by a few more paid up members. I'd hate to think someone out here was taking a free ride in the hopes the rest of us will generate enough business for everyone. It's not the democratic way. In these trying times everyone should try carrying part of the load. Let's take a lesson from the Canadians." Get your literature in to the chamber for the Saginaw show in April.

> See you in Saginaw, Allen C. Carr

#### Handicapped Placed in Jobs

The State Board of Education has announced that more than 6,000 handicapped citizens were placed in jobs last year by the state's rehabilitation vocational program, the Michigan Rehabilitation Service.

We estimate that those who retain their jobs will earn \$48 million in their first year of employment and pay nearly \$6 million in state and federal taxes. Public assistance payments will be reduced by about \$3 million annually because the men and women are employed.

The Alpena District, which serves eleven counties in northeast Michigan, includ-Crawford, helped rehabilitate 226 persons. The average weekly earnings of those who secured employment increased from \$66 to **\$183**.

**Broom Care** 

Give your broom a longer life by soaking it in hot, heavily salted water. Or clean it with a few sweeps in the snow.

#### **Crawford-Roscommon Soil** Conservation District Office

Have you ever had questions about how to best utilize your land or what type of trees will grow on your land? How about methods to control that eroding hillside or streambank?

Believe it or not, Crawford and Roscommon counties have an office that deals exclusively with these and many other issues concerning land use.

The Crawford-Roscom-

mon Soil Conservation District (SCD) has an office located at 409 Lake Street in Roscommon that deals exclusively with the problems mentioned above, in addition to many others. Some of the services provided through the SCD include: erosion and drainage control; farm planning; tree, shrub and grass planting; forestry improvement; wildlife habitat improvement; tree seedling sales for reforestation; wildlife shrub seedling sales for wildlife food and cover; and land use planning.

#### **Estate Affiliates** With Consolidated

Schmidt Real Estate of Traverse City, Michigan has recently been selected as an affiliate of Consolidated Hotel/Motel Brokers, Inc., a Houston based organization of real estate firms marketing hotels and motels on a nationwide basis. Schmidt Real Estate is the only real estate firm in Northwest Michigan now serving hotel/ motel needs through Consolidated.

Schmidt Real Estate has been doing business in the Northwest Michigan area since 1937 and continuely has been a leader in real estate sales. They currently have over 50 full time sales associates and five offices in the Grand Traverse area. They have been very active in the past in marketing hotels and motels and with the affiliation of Consolidated Hotel/ Motel Brokers, Inc. they will be able to improve education in the industry and broaden the marketing into nation wide. It is a fact that over 90% of the motel sales are to people from locations other

than where the hotel or motel is located. Consolidated brokers concentrate on hotel/motel sales, exchanges, leasing, financing, feasibility and consulting. The organization concentrates on the educational and training of brokers and their associates.

The group will conduct coming and forums for seminars and forums for brokers, associates, buyers, and sellers. "This new approach is designed to bring the national marketing process for motels/hotels into the local market place where the average broker and sales associate operate. The key here is to tie in a strong local identity with a national marketing net-work", said Cal Schoene, Consolidated President, Hotel/Motel Brokers, Inc.

As recognized leaders, the principals in Consolidated have served as speakers and panel members for national seminars in the hotel/motel field and at national hotel/ motel organizational meetings.

fed by secretary, Barb Stauffer, who can handle many requests for assistance. The Soil Conservation Service, an agency in the U.S. Dept. of Agriculture, maintains a full-time professional District Conservationist that is available to provide technical assistance and advise. The best part of all this is that these services

are free! In addition, the District has a Work Crew that has the skill and experience to install numerous erosion control measures, as well as tree planting services. District Crew services are available for a nominal fee.

The Crawford-Roscommon SCD is governed by five elected local residents that oversee the numerous programs in the two-county area. For example, the Crawford-Roscommon Districts, in conjunction with Michigan Dept. of Natural Resources, has sponsored an ambitious project through the Resource Conservation and Development (RC&D) program of the Soil Conservation Service. This jointly sponsored project will work to repair and improve eroding areas along the George Mason Tract on the South Branch of the AuSable

River. Last fall, district directors Bob Shingledecker, Harold Mertes, Larry Murray, Mike Wahl and Brian Willett, toured several eroding areas along the S. Branch of the AuSable River. District Conservationist Tom Cogger conducted the tour and discussed the causes of the severe erosion at the sites and the planned measures to correct them. Also attending the tour were former director and current County Commissioner (Crawford) Andle Neilson and Crawford County Commission Chair-

man Jeannette Kitchen. Some of the planned improvements include seeding of eroding gullies, planting of tree seedlings, construction of stairways and streambank protection.

For your conservation assistance, contact the Soil Conservation Office at 275-5231 or stop in at 409 Lake (The Street Centre Building), Rosecmmon, Michigan. You may also reach us by mail at P.O. Box 156, Roscommon, Mich. 48653.

#### "NOT SO EASY"

How quickly can you find out what is so unusual about this paragraph? It looks so ordinary that you would think nothing is wrong with it at all and, in fact, nothing is. But it is unusual. Why? If you study it and think about it you may find out, but I am not going to assist you in any way. You must do it without coaching. No doubt, if you work at it for long, it will dawn on you. Who knows? Go to work and try your skill. Par is about half an hour.

We have had a good response of teachers and classes from the Grayling Elementary School.

There is a lot of history about Crawford County and Grayling in that little old school house.

Try to pay it a visit after it is opened on Memorial Day weekend and get acquainted with the new Director, Mrs. Greta Lewis. ## The New Dream

By Rev. Thomas A. Bruno Minister of The Congregational Church Roscommon

His parents asked me to talk to him. I did and I was shocked at what I saw. A young man, their son, about 22 years of age, with red swollen eyes half shut, his arm punched with numerous tiny needle holes, and the color of his skin was pale. It was obvious that he was on drugs.

He related to me that he had been on heroin for four years and had begun when he was 12 with grass. He continued to graduate until he was on the hard stuff.

Statistics were against him. He would probably be dead within two or three years and he looked it. I had never had anyone in my presence before as a young person who looked like they were going to die. It was indeed a shock, and also a tremendous waste.

His parents had a horror story to tell me about how he would rob and steal to get money to support his habit. He died last week!

Young people, you don't need drugs or booze to get high. There are other ways to do so. I get high all the time and I don't need drugs to do it. I get high being with my friends. I get high every time I am at the top of Pioneer Hill looking toward Grayling. I get high walking in the woods and just listening and enjoying life. I get high seeing the beauty of a baby's smile.

My people at the church think I am high most of the time. As them! I get excited during the service and about projects. I just made a "commercial" for the radio using "Chariots of Fire" as background music; I get high listening to it. Parents, you need to teach your children to be high about

the right things in life. Of course, that is going to be difficult if you are boozing it up or using drugs yourselves. Our own habits never look good in our children.

Jesus had many highs in his life. He was once on a mountain when he was lifted up and transfigured in front of the eyes of the disciples. He became high by praying and having communion with His heavenly Father. Even the cross was a high for Jesus. It was the accomplishment of his greatest dream.

The young man who sat in my office a few years ago never started out to get hooked on drugs; who does? But the end result was the same; he wasted his life and finally died. Why play with fire?

Why not get high on God?

#### **Former Court Justice** Calls For Reinstatement of Riley

Warren M. Hoyt, Exécutive Director, MPA

Former Supreme Court Justice Thomas Brennan has maintained the state Supreme Court acted unconstitutionally in removing Dorothy Comstock Riley from office.

A letter to the remaining six justices asked them to recede from their recent ruling ousting Riley from the court and apologize to her. Brennan also urged Riley to continue to claim the seat.

The court acted on a suit filed by Attorney General Frank Kelley asking the court to remove Riley who had been appointed to the court by former Governor William G. Milliken to fill a vacancy created by the death of Justice Blair Moody Jr.

The controversy came over appointing Riley to a term beginning on January 1, the same day Milliken turned over the governor's office to James Blanchard.

Blanchard, as the first Democratic governor in 20 years, felt the appointment was his to make as of the beginning of his new four year term.

Brennan, president of the Cooley Law School in Lansing, contended only the governor and the Legislature have the power to remove a justice and Blanchard would be acting unconstitutionally if he attempted to make an appointment unless that action was taken.

Brennan said he would personally challenge any appointment by Blanchard.

Sue Carter, Blanchard's press secretary, said the governor does very soon intend to make an appointment to the Supreme Court. "He is willing to proceed with what he feels is his constitutional obligation and if anyone wants to challenge it, they

would do so at that time," she said. Frederick Buesser III, Riley's attorney, said Brennan makes some convincing arguments, but she plans to take no further action to

remain in office. He said she decided not to pursue the matter because of personal, practical and legal considerations, even though she continues to believe the court was wrong.

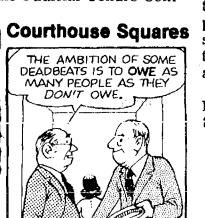

Brennan said the Supreme Court's order to oust Riley is a nullity because of constitutional language prohibiting it from removing a judge. He said the dispute over whether former Governor Milliken had the authority to appoint Riley until January 1, 1985 can only be resolved by the Legislature and governor, not the court itself.

Brennan said the attorney general must share in the responsibility for the "obvious indefensible disregard of the constitution."

His reading of the constitutional limitations on the court's authority were not raised by any of the parties, nor by the justices. Brennan said that is probably the result of the focus on how Riley got on the court, while ignoring how she should be removed.

He said the court should have thrown the case out the minute it came in.

An official for the attorney general said Brennan's argument would be "laughed out of court" if presented in a brief. The official said the restriction on the court's ability to remove a judge is superceded by a later provision permitting the court to remove a judge upon recommendation by the Judicial Tenure Com-

#### **Local Tax Help From IRS**

Detroit, Mi. - The Internal Revenue Service will be working overtime in Grayling next Saturday, but not to collect income taxes or examine tax returns. They will be giving free help preparing 1982 tax forms. It's all part of a new dimension in the agency's Taxpayer Service Program - an "outreach" effort to bring professional tax help into neighborhoods and towns across the country.

In Michigan IRS people are setting up such afterhours and weekend projects in libraries, schools, union halls, churches, community centers and any other suitable site to provide assistance in group settings. In Grayling the special tax help will be offered at the Northern National Bank Building, 2500 I-75 Business Loop on Saturday, March 19, 1983 starting at 11:00 a.m., according to IRS.

IRS assistors will provide the help in group instructional settings in this project. It is offered as a supplement to other regular telephone and local office

Solomonson, a senior, became the second wrestler in GHS history to win a state crown helping his team to a fifth place finish.

Jim Piper, another senior, also went out like a whirlwind finishing second in the state at 145 lbs. Piper, ending up strong in district, regional, and state action, finished with a 39-4 season record and 86-32 overall record for his career at GHS.

Steve Sauve set a GHS record for most consecutive wins with his 45th victory at state but wound up 4th after a bad break in his bracket seeding. Sauve, undefeated heading into state, and Matt

## Volleyballers Bounced From District Action

Grayling couldn't get by league foe Rogers City in the first round of district play Saturday at Kalkaska losing two straight games to the conference champs.

The opening loss came after the winningest season in GHS volleyball history. Grayling finished 7-5 in the league behind Rogers City and St. Ignace and ended 13-11 in head-to-head play with a second and third place in invitational tournaments.

Grayling took third place in the league ahead of Gaylord by splitting one of two matches with Gaylord in the last league game of the season. The Vikings won 15-5, 15-12 to insure a third place finish and then dropped the next match 5-15, 6-15. Head coach Becky Brown

said her four seniors played well in their last regular season match. Gina Bidwell provided team leadership on the floor and Jenny Riker had eight blocks, nine spikes, and set 32 balls without a miss. Ikuyo Inoue hit 19 good serves and set up 12 balls while Wendy Savallisch

hit nine good spikes. Along with the seniors, Melissa McEvers was a terror at the net hitting 13 out of 13 spikes in and connecting on 11 of 11 serves.

The Vikings hit 75 spikes in the four games - their highest total of the year. Melissa

Defensively, McEvers, Wendy Savallisch, Shelly Trenary, Inoue, Riker, and Bidwell led the team.

The J.V. team went out on a winning note heating Gaylord 15-3, 15-12, and 15-7. Led by Beth Bedard's 14 for 14 serving the junior varsity defense. came back in the second game after being down 4-11.

Exerpts from a recent article by the first Presidency of The Reorganized Church of Jesus Christ of Latter Day Saints.

The purpose of the church

is to fulfill the commission of its Lord to go into the world and make disciples of all nations (Mat. 28:18-19)...Our main concern is not to win persons away from a satisfying and meaningful participation in other communities or to deny value in other movements in order to extol our own...It is the testimony of the Reorganized Church of Jesus Christ of Latter Day Saints that we have been called of God to accomplish a divine purpose in the world. Authority to fulfill that calling has been and is being granted. It is also our testimony of God that every available means will be utilized to save and bless the people of the world. We believe that God's Holy Spirit works with persons, communities, and nations in ways not always discernible to us. Our faith is in the God who came into the world and identified with all people in Jesus Christ. Our faith in the majesty and power of that revelation would be diminished immeasurably if we perceived the ongoing authoritative ministry of

It is our faith and hope that the Lord has many forces at work in the world that we "know not of." By this means the authority of our church is complemented and extended rather than diminished. We believe that God is urging the church to expand the scope of its influence for good in the lives of people and communities through recognizing this more pervasive expression of divine authority.

Jesus Christ as being con-

fined to our day and sect.

To accept such a point of view we must have both a freedom and a demand. We are freed from the compulsion of trying to prove that others are wrong or inferior, or that we are superior, in order to attract "converts."

We are well aware that it is part of the function of the Holy Spirit to lead into all truth. Nevertheless, there is nothing which suggests such unity is achieved overnight or without effort, discipline, and love.

Indeed, the Apostle Paul implied that the process was an ongoing one, "until we all (shall) come in the unity of the faith...to the knowledge of the Son of God (Ephesians 4:11-16). When we place this admonition alongside his advice in Galatians 5:13-15 we have some sound operating principles that call for mature and disciplined disciples if they are to work effectively. 'For, brethren. ye have been called unto liberty; only use not liberty for an occasion to the flesh, but by love serve one another. For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbor as thyself. But if ye bite and devour one another, take heed that ye be not consumed one of another.

I leave the decision with the reader. Do we believe all other churches to be in error?

Wendell L. Hoover Park Interpreter

A while back, we checked the AuSable River Foot Trail for blown-down trees and while crossing the River, I looked for any fish that might be lingering near the bridge. I have spotted trout during the winter but not suckers and got to wondering why. It seems our stream suckers (white suckers and hognose suckers) move downstream in winter and back into the streams in spring and summer. Of interest is the number of species found in America, a total of 70 for this Country but only one in Siberia and one in China. It seems suckers are more closely related to the minnow family than to any other group. One member of this family is the buffalo fish which can weigh up to 80 pounds, which is minnow. Most. some however. weigh considerably less, but the greater redhorse can reach 16 pounds.

No sucker has any teeth in the jaws; instead, they have teeth in the throat. These teeth are arranged in a single row like a comb and curve around both sides and project into the pharvnx. While many people do not care for them to eat, the young of suckers are important forage for other fish. All suckers lay eggs, and many species run up small streams in the spring to spawn. During the spawning season, the males of some species develop bright colors and tubercles on the head or fins.

IT WAS A BANNER YEAR...for the GHS girls ski team coached by Mike Wieland. The team finished second at regionals, fifth at state, and Karyn Reynolds became a state champion in the slalom. And as coach Wieland pointed out, Grayling could lay claim to being the state champion team in class C as the four teams finishing ahead of the Vikings at state were Class A or B schools.

BUT IF YOU THINK THIS YEAR WAS GREAT...wait until next year. Only senior Kris Casler will be leaving. Reynolds will be back—hopefully without injuries which may have prevented her from also capturing the state giant slalom crown this year. Heidi Derenzy, Kris Laudenslager, Carol Longworth, Madelyn Thomas, and Heidi Bendig will also all be back eager to finish even higher at state next year.

THE BOYS ARE ALSO LOOKING FORWARD...with a team loaded with sophomores this year, Mike Wieland is expecting bigger and better results next year. The boys didn't fare too bad this year getting beat out at regionals by two teams that finished one and two in the state. Skiing for the Grayling boys ski team this year were, front row from left, Glen Carlson, Kevin Reynolds, Ken Larkey, Mark Gust, Riley McNamara, Dave Martella, Alan Weiss, Pete Huss, Ronny Thomson, and Greg Welser. Back row, Bob Ryan, Ralph Oppermann, Chad Swanders, Bryon Crosby, Darell Sauter, and coach Mike Wieland.

#### RSVP Reports

by Sherry Haag, Dir.

Welcome to news of the Retired Senior Volunteer Program. In news of Michigan that affects all volunteers as well as all seniors, Governor Blanchard has appointed Olivia "Libby" Maynard as director of the Office of Services to the Aging. She is expected to begin her duties March 1. Previous to this she was Michigan Democratic Party Chairperson. Maynard has had a long time interest in aging issues. She's a graduate of the University of Michigan with a masters degree in

social work. If you have concerns on issues that affect you, make your voice heard. Write your state and local representatives.

RSVP news of Crawford County Operation Identification is in full swing. This is a great spring project. Have your valuables marked. There's no charge and RSVP has the volunteers and tools to do the job. Call 348-4341 or 348-8322 for an appointment to make your home safer.

Free performance by the Central Michigan University Drama Department of Tom Stoppard's comedy, "The Real Inspector Hound", can be seen this evening at the Joseph Stripe Auditorium at 8:00 p.m. It will be a one hour performance with a local young woman, Sue Prause, included in the cast. Donations are welcome by the Crawford County Arts Council which is sponsoring the play.

The Easter Seal Committee has asked RSVP to tell all persons with extra crutches, walkers, etc., who would like to donate their articles, to call the RSVP office and arrangements will be made to pick them up. Or if you prefer, items can be left at Timberview Village in Frederic. Clean your closet for Easter Seals.

RSVP needs persons interested in working at the 4-H office answering the phone and greeting visitors. Call 348-4341 or 348-8322 for more information.

#### **Engagement Announced**

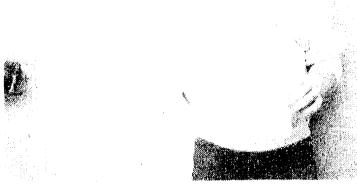

Ms. Mildred Harrington of Grayling and Kenneth Solomonson of Taylor, Michigan, are pleased to announce the engagement of their daughter, Patricia Marie Dale, to Mr. William Franklin Butts.

William is the son of Mr. and Mrs. L.V. Butts of Vanderbilt.

No wedding date has been set.

VISIT COUNTY JAIL—Mr. Hayes' fourth grade class went to the Crawford County Jail. They had a tour around the place. They saw different switchboards. They got to go and see the offices. They even noticed the cameras that made sure the prisoners didn't hang themselves or escape. A girl in Mr. Hayes' class named Nikki Morrill got a fingerprint taken there. She has her fingerprints at school in her class. By Nicole Trenary and Heather Hutek, 5th grade.

#### **ABWA Spring Enrollment**

The Grayling Chapter of the American Business Women's Association will be holding its annual Spring Enrollment Event March

15th at M. B. Dorans. ABWA dates back to 1949 and is an influential national organization with a membership exceeding 110,000. Our Grayling Chapter was founded in November of 1969 and now has 50 active members.

The objective of ABWA is to promote the professional, educational, cultural and social advancement of business women. With education as our main focus; we annually award scholarships to local women and promote community functions.

We would like to meet any interested women and introduce them to ABWA. Our evening will begin at 6:00 p.m. with refreshments, followed by dinner and entertainment which will further explain the purpose of ABWA.

Any woman that is employed, or self-employed is eligible for membership. For further information about ABWA and this Special Event contact Sherry Hanson at 348-9654. Membership is by invitation only.

Fifth Grade Fun

In Mrs, Bovee's fifth grade class we have been doing a lot of things lately. In social studies we are talking about different people coming to America. Also in social studies we have had two ladies come in and show us how to make two different kinds of food. One of them was Mrs. Jurkovich to show us how to make croquettes. They are a Dutch dish. People eat them for snacks, dinner, lunch and with tea. The other lady's name was Mrs. Halstead. She made Kim Chee. It is a Korean

In English we are learning about where to put commas. In career education we had Mr. Bovee come in and talk about his job. His job is a Juvenile Officer. In math we work in different levels. Also in reading we work in different levels. In science we are learning about animals and different things about airplanes and how they rise. In spelling after each unit there is a story with a question at the end and we have to answer it. Mrs. Bovee's fifth grade class won the Campbell's Soup label contest. By Toye Sheldon and Debbie Schrock, 5th grade.

In Mrs. Ingvarsson's first grade class they have been talking about turtles. They are learning the different kinds of turtles. They learned turtles are cold-blooded

and that they are reptiles. Mr. Jim Haf once again came in, but this time he made the computer play music. They are glad Mrs. Mobarak is still working with them. They are happy that it is a new month and the weather is beautiful outside. By Heather Willoughby and Jennifer Naour, 5th

#### Math-A-Thon

Everyone gets sponsors for St. Jude's Children Research Hospital. The money helps keep them in business so they can help little children with cancer and leukemia. The person or child who gets a booklet of 200 problems will have a certain time to complete all the problems. If the sponsor gives ten cents per problem they owe ten dollars, that is if they complete 100 problems. By Debbie Schrock, 5th grade.

#### More Money!

In Mr. Hatfield's room they are doing money labs. They are using colored paper to make their money. Mr. Hatfield has them drawn. Then they cut them out. The object of this is to find out the change of the dollars or cents on the card. They cut out pennies, nickels, dimes, one dollars, five dollars, quarters, and ten dollar bills. By Paula Nunn and Suzanne Hamilton, 5th grade.

#### **March of Dimes Information**

Have you had the opportunity of using the Fetal Monitor or the I-Vac machine in the Maternity Department of our local Mercy Hospital? If so, has the Fetal Monitor given you or your Doctor some valuable information and/or assistance as you awaited the birth of your hopefully healthy baby? Your local chapter of March of Dimes has purchased both of these items for Mercy Hospital. How was the March of Dimes able to do this? Because you cared enough to help us by joining the March of Dimes Mothers' March and/or because you gave generously when

"Mothers' Marcher" called on you. Let's all join together to help others. Our Chapter of March of Dimes covers thirteen Counties and has helped not only our hospital but also helped youngsters who have birth defects and need special shoes, braces, medicine, bandages and/or special feedings.

Wouldn't you like to be a "Caring part of this Organization"?

LET'S SPELL CHAMPION-On March 7, 1983, the COOR Area Elementary Principals are having their second annual regional spelldown. There will be ten schools participating in this event. They will be: Grayling, Roscommon, Fairview, Mio, Rose City, West Branch, St. Helen, Prudenville, Houghton Lake, and Frederic Elementary Schools. The public should feel free to come. The Crawford schools will host the spelldown in the Joseph Stripe Auditorium at Grayling High School. The Grayling Elementary Choir will entertain you. Refreshments will be coffee and cookies. The rules will be stated to the participants and the audience prior to the contest. All students are given a list of words to study. In the event that all the words on the list are exhausted, the speaker will give the students a secret stump list.

#### **Chamber Chatter**

By Joyce Kolka

There is no doubt the Grayling Regional Chamber of Commerce Exhibit at the Outdoorama Show was a success. The people who represented this area at the show indicated that thousands of people stopped by the booth and much literature oout the area was handed out.

They did point out that there was not enough variety in literature from some service areas. It emphasizes that some of our members missed out on a good promotional opportunity by not getting brochures to our office. Hopefully for the WKNX Radio Outdoor Fishing and Camping show there will be more response to the call for literature.

Congratulations to the Grayling High School Girls Ski Team for their 5th place finish in the slalom at the Michigan Athletic Association State Championship meet. Certainly we want to congratulate Karyn Reynolds as the State Champion individual in the Slalom. As we understand it, this is a significant achievement for both Karyn and the Team. There are 100 teams in the state who compete and through an elimination process only a few schools and individuals are selected for the State Finals.

Coach Wieland, you're doing a fine job with our youth. The Chamber Board of Directors has commissioned the designing of a new lapel pin. It will be an attractive piece which will express the wearers feelings toward loving this area. The pin should be available in April.

The slide-tape program mentioned in an earlier column is progressing to the point where the first draft of the script has been written. Readers will remember that it is designed to be shown to civic groups and clubs in this area showing the work of the Chamber. It will be a short program aimed at fitting the agenda of most groups.

One of our members has suggested that an attempt be made by the Chamber to hold a United States Fly Casting Championship. It was thought that it could be held during the good brown trout season toward the end of June. We certainly solicit comments about the idea and whether it has the possibility of getting nationwide notoriety.

The latest word on the Milltown Festival is that there will be a circus. It will be sponsored by the Knights of Columbus and located at Hanson Hills Ski Park.

The kids should be geared up for Kids Day on August 3rd when there will be games galore. Clown faces will be painted on

participants of the Kids Parade on that day as well.

Just a word now about the improved economic picture. Locally Weverhaeuser has added another shift and one local manufacturer of parts indicates his business will really be picking up in the spring so that he will be adding more employees. This will happen, we are told, because large equipment manufacturers expect to begin large scale production. Nationally then the picture also looks brighter and with the reduction in prime interest rates to 101/2% the economic recovery looks very

And something new is happening...The Grayling Promotional Association is a group of Grayling Area Ladies who are interested in making our community a better place in which to live, work, play and SHOP. This promotional group meets every Tuesday at the Chief Shoppenagon Motor Hotel at 12:00 Noon and is open to all Business Ladies of the community. Those interested are invited to attend and join in our community progress.

A reminder again about checking dates for your functions with the Chamber is in order because we are certain that some events are not showing up on the Community Calendar. Please check first for availability of dates, then call again to register the date selected.

## Dark Corners

Ever have the lights go out suddenly, maybe during a storm? The darkness becomes a tangible thing, you can feel it around you, a cloud closing in. Then you remember the candle out on the hall table. You put a match to it, and you're in business again. And it's amazing how much you can see by the light of a single candle when you've been in the dark,

Transpose this into your own life. Strike a mental match and let it shine in the dark corners, showing you the things you've hidden from yourself. Self revelation is good for us and once we've seen those dusty corners, maybe we should do something about them . . . like restoring our habits of regular weekly worship.

## Vikings 2nd Season **Begins Wednesday**

Grayling's basketball season starts anew Wednesday at 7 p.m. against Whittemore-Prescott in opening district tournament action.

Grayling, 5-15, and Whittemore, 7-13, can turn their seasons around with a win. The winner Wednesday plays Roscommon or Houghton Lake for the district crown Saturday.

Roscommon is the favorite over Houghton Lake with a 11-9 season record and two regular season wins over the Bobcats who were 5-15 during the regular season. Grayling met Roscommon twice during the regular season losing 85-55 in Roscommon Jan. 25 and winning 64-49 at home Feb. 15.

Whittemore will look to senior guard Van Sickle, averaging 20 points a game, for leadership in district play. Roscommon has two high scorers, Chuck Moses and Craig Townsend to lead them.

Grayling will look to leading Ryan Morford, 13.7 points a game, Jim Stewart, 11.7 average, and Wayne Ross, 9.4 average, to lead in scoring. Head coach Butch Hayes would also like to see Paul Hamlin and Mike Hickey, his other starters, score in double figures in a balanced attack.

Grayling ended their regular season Friday with a 63-53 loss to Rogers City. Hayes said Grayling looked like it was getting back on track and was in the game until the very end when fouling Rogers put the final margin up to ten.

Stewart hit 17 points and rebounds. Wayne Ross hit 16 and hauled in 15 rebounds pleasing Hayes with his allaround play. Senior Ryan Morford hit 8 with 10 rebounds. Mike Hickey added 8, Hamlin 2, and Bob Keene 2.

Grayling had 11 steals without a press and recorded 15 assists. An eight-point third quarter hurt their chances but they still came close in the fourth quarter.

The Grayling J.V. squad beat Rogers City to end their season on a three-game winning streak. They beat Class A Alpena and St. Ignace the week before and wound up 7-13 for the year.

Against St. Ignace, the Grayling varsity fell 68-45 as they shot only 32 percent from the field while the Sain-

## The new tax laws. This year's No. 1 reason to go to H&R Block.

This year you're faced with over 100 changes in the tax laws and forms. Did you know that working married couples may deduct up to \$1,500 for the first time? There's even a new entry for charitable deductions on the 1040A short form. And that's just the beginning! We know every change on every form.

#### STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF CRAWFORD

in the Matter of the Complaint of the State Treasurer of the State of Michigan. for and in behalf of said State, for the sale of certain lands for taxes assessed there-

To the Circuit Court for the County of ROBERT A. BOWMAN, State Treasurer of the State of Michigan, respectfully

1. That he is the State Treasurer of the

State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 380 of P.A. 1965, as amended. 2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein. have remained unpaid for more than one year after they were returned as delinquent, the description of air lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent

to the tax for which such lands were sold

to the State have remained unpaid for

more than one year after they were returned as delinquent. 3. That extended separately in said schedule against each description of said lands therein contained are (a) the total description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent which shall be a minimum of \$1.00 as provided by Section 211.59, C.L. 1970, as amended, and (d) \$10.00 for expenses, all in accordance with the provisions of the act first above men-

4. That all of the aforesald taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein desribed constitute a valld lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valld and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended; b. That within the time provided by law this court make a final judgement in fayor

of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses as computed and extended in said schedule against the several parcels of land therein contained. and the amounts listed in the column headed "aggregate" shall constitute the amounts adjudged against the said several parcels, unless so amended by

c. That said judgement provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides: d. That your plaintiff may have such

other and further relief in the premises as to this court may seem just and equitable. And your plaintiff will ever pray, etc. Dated: February 8, 1983 ROBERT A. BOWMAN State Treasurer of the State of

Michigan for and in behalf of sald State.

To The Editor Crawford Co. Avalanche Grayling, Mi 49738

Dear Mr. Madsen: Since our column, The Bible Speaks, was involved in a letter to the editor last week, I would appreciate an opportunity to reply.

May we first commend Mrs. Patricia Fowler for having the courage to stand publicly for her beliefs. Even though I disagree with Mrs. Fowler, I have much more respect for her than many so-called "Christians" in this town who are too weak to stand for their faith. Some people will stand for nothing and fall for anything.

Mrs. Fowler said, "...we weren't consulted for facts." May I assure you that I have "Joseph Smith Tells His Own Story", published by the Church of Jesus Christ of Latter-day Saints. I also have 2 copies of the Book of Mormon, a "Handbook of Denominations in the United States" approved by each denomination, Bodies of Religious America", and many other standard sources for facts on the subject.

Since Mrs. Fowler's letter merely supported the truth we had already given, we will deal briefly with the 4 points raised for future consideration:

1. "The claim that we believe our salvation is by works." Let us turn to the book of Mormon to Mosiah 12:33: "But now Abinadi said unto them: I know if ye keep the commandments of God ve shall be saved: yea, if ye keep the commandments which the Lord delivered unto Moses in the mount of Sinai, saying:" "...All those that have kept the commandments of God,

shall come forth in the first resurrection; therefore, they are the first resurrection." Mosiah 15:22. The Book of Mormon repeatedly speaks of being on "probation" in this life. Even Mrs. Fowler's testimony confirms salvation by works: "I believe that I am saved through the atonement of Christ and obedience Jes, ys and ordinances of ¿i." The Latter Day His Sain to not accept the orthoday meaning of the words "gospel" and "atonement"

as found in the Bible. 2. "That we declare the Book of Mormon to be a different gospel than that of Jesus Christ." 1. The Book of Mormon violates God's command which closes the canon of scripture: "For I testify unto every man that heareth the words of the prophecy of this book. If any man shall add unto these things, God shall add unto him the plagues that are written in this book." Revelation 22:18. 2. The teaching of works for salvation already shown above, comes into sharp contrast with the gospel of pure grace taught in the Bible. (Ephesiang 2:8,9)

3. "That we are a cult." 1. It is common knowledge that the founder of Mormonism, Joseph Smith and his brother Hyrum were killed by a mob of citizens who stormed the fail in Carthage, Illinois where they were held primarily over the Mormon practice of polygamy. 2. Mormons deny the trinity. "God himself was once as we are now and is an exalted man..." Joseph Smith. "In the beginning the head of the Gods called a council of the Gods and they came together and concocted a plan to create the world and people in it." Joseph Smith. 'Many men say there is one God: the Father, the Son. and the Holy Ghost are only one God! I say this is a strange God anyhow...all are to be crammed into one God..." Joseph Smith. (Above quotes from "The

Walter R. Martin.) 4. "That we believe all churches are in error." Under Latter-day Saints in

Kingdom of the Cults" by

the approved "Handbook of Denominations in the United States" by Frank S. Mead we read that Joseph Smith "claimed to have experienced a series of heavenly visitations in which he was informed that all existing churches were in error, that the true gospel was yet to be restored, that it would be revealed to him, and that he was to re-establish the true church on earth." In his own

story Joseph Smith said, "I

was answered that I might ioin none of them, for they were all wrong and the Personage who addressed me said that all their creeds were an abomination in His sight, that those professors were all corrupt..." The Book of Mormon makes a clear distinction between the true church and the abominable church in many places. For example: "And he said unto me: Behold there are save two churches only; the one is the church of the Lamb of God, and the other is the church of the devil; wherefore, whoso belongeth not to the church of the Lamb of God belongeth to that great church which is the mother of abominations; and she is the whore of all the earth." I

Nephi 14:10. I pray these facts on the subject will shed some light on the matter and encourage those who are blinded by error to seek the truth of God's Word only.

Freshman Stephanie Hindmarsh made a successful acting debut and as one of three freshmen on the stage give promise of three more years of stage enjoyment from their class.

Damon Thayer, as Bill Ray, turned in a solid performance and handled himself with experience belying his sophomore standing at school.

Director Howard Taylor and student director George Morse had the hard job of adapting the play to one set on the GHS stage. Paul Gust served as stage manager, Karla Dosch and Monique Petrosky worked with lighting, and Tony Pickell provided sound.

Trisha Hahn designed the set, Lisa Phillips handled make-up, and Beth Bedard ran the box office. Jeff Luce and Pat Moore worked as stage crew, props were handled by Brenda Prause, Jamie Keusch, Jeff Martinez, Maria Perez, Kim Stockton, and Troy Haag, and Jini Hindmarsh and Nancy Lemmen put together the programs.

The next performance by the GHS players will be a spring musical.

#### Local Business Women Form Association

A group of the business women in Grayling have joined together to form the "Grayling Promotional Association."

Grayling has many new businesses within the past two years alone and it is growing as is all of northern Michigan. This also means our competition out of town is also growing. We feel the need now, and realize this need will grow, to satisfy both our local residents and our tourists.

Therefore this association has developed out of this business need, to cooperate and support each other in order to be stronger and a better asset to both ourselves and our community.

Our meetings are held at Noon on Tuesday at the Chief Shoppenagon's Hotel and we invite any local business that would like to send a representative to meet with us. Please call Judy Gibbons at Weaver's Gifts 348-5829 or Jan Olson at Olson's of Grayling - 348-5949.
